

Lori Joliffe

Guelph Food Technology Centre and Agriculture Canada

Lori is the Regional Manager, Western Canada with Guelph Food Technology Centre. She has worked in the food industry for well over 20 years, focusing specifically on food safety and quality assurance.

She assisted in the Canadian Vintners Association workshops that were recently held across Canada and completed follow-up visits with wineries that signed up for the free consultation opportunity offered through the workshops.

She is situated out of Edmonton, Alberta and assists food and beverage facilities throughout Western Canada on behalf of Guelph Food Technology Centre.
