

Jeff Kandarian

Winemaker, King Estate Winery, Eugene Oregon

Jeff joined King Estate the summer of 2008 by way of Southern Oregon where he was the Winemaker for Del Rio Vineyards and Winery. He was born and raised in the agriculturally based San Joaquin Valley of California where he earned a BS in Enology and a minor in Chemistry at the California State University of Fresno.

Jeff worked at wineries large and small in the Paso Robles AVA including Justin, Meridian, Eberle, and Shandon Valley Partners before making his way north to Oregon. We are pleased to have Jeff working as part of our winemaking team. As a Winemaker at King Estate he will be focusing on the production of our white, sparkling, and ice wines.
